TWO FREIGHT STEAMERS COLLIDE; ONE SINKS, OTH-ER REPORTED SINKING

MILWAUKEE, Oct. 31. (AP)—Colliding in Lake Michigan 20 miles off Port Washington, Wis., in a dense fog, the freight steamer Senator sank almost immediately, and the Marquette, an ore carrier, badly damaged, began to wage an apparently hope-less fight to make Port Washing-ton. The Senator carried a crew of 28 and all but three taken aboard the Marquette were unaccounted for. The Marquette carried 30 men.

for. The Marquette carried so men.

A few minutes after the collision both ships began sending "S O S" calls. About 10 minutes, the Senator wireless ceased to sputter, and the Marquette said she had sunk.

The Marquette stood by and picked up three survivors. An hour later Captain W. S. Ainsbery radioed he would attempt to beach his vessel at Port Washington. At 12:06 p. m., the Marquette sent "S O S" signals and requested boats 1 the vicinity to come and stand oy. Captain Ainsbery messaged he did not think the Marquette would remain up until they could get to sort Washington.

A score of boats of all descriptions rushed to the aid of the Marquette. Tugs, coast guards cutters

WEATHERFORD, Oct. 31. (AP) — Immediately after Tom Walton, Jr., 21, was shot to death in R. H. Hamilton's office last May Hamilton said:

"Mr. Burks, I hated to have to do that, but I had to save my own life," a witness testified late today in Hamilton's murder trial.

J. W. Burks, real estate agent, said he was in Hamilton's office and saw Hamilton and Walton the provided man's sonin-law scuffling and saw Hamilton and Walton the accused man's son-in-law, scuffling while the shots were fired. After five shots had been fired, Walton fell to the floor, and Hamilton returned to the adjoining office and put the pistol in his desk drawer. Then he said he "had to" do it to save his own life.

Mrs. Eve Waddington Greenley, of Chicago, who is believed to have been an English countess, was found dead in her home on the fashionable North Shore with a bullet in her head. Police are unable to determine whether she was a suicide or was murdered.

farmer, and his step-daughter, Elizabeth Walworth.

Two shotgun shells with which the couple was slain have been identified, County Attorney E. T. Bloomer said, as having been purchased at an Arkansas City hardware store at 4 p. m., Saturday by a man fitting the description of Harry Jones, brother of the slain man. His identification as the buyer will be attempted when he is returned from Texas by Deputy County Attorney J. T. Boyle. He is k-id at Rankin, Texas, with his common-law wife, a Mrs. MacDonald. He is understood to have signed a waiver of extradition.

Warrants for the Joneses were issued last night. The clder Jones is held here.

Officers see a family feud over division of the estate of Mrs. Eslie Jones, as the motive for the clder Jones, and police say he strangled and beat her to death.

Bullets was poured from parked nearby.

The girl and the boy fell to the ground, and died in an ambulance summoned by persons who heard the shots. The killer sped away.

Two men were arrested by officers, but one was released shortly. The other was held for investigation.

Capping everything clse in the display, however, or rather footing it, was a new experiment of the industry, cotton shoes.

Striking new effects with cotton net and velveteen were shown. Adaptability of velveteen was demonstrated in an ensemble including a jacket of green hollow cut velveteen with skirt of the same material, a red velveteen coat with fur trimmings and an orange and black check velveteen raincoat.

The new fabrics designed for next season will probably be best known for their sheerness and light weight, according to Susan Bates, fashlon authority of the cotton textile institute.

While this election holds first interest to students of national politics, as it may determine the permanency of the 1928 revolt, there are others which carry their appeal far beyond borders of the states in which they will be held.

New York City's quadrennial controversy over the question own the government of the world's greatest metropolis attracts perhaps more than the usual attention over the country because of the dashing figure of its mayor, James J. Walker, who finds himself opposed by men who also have gained nation-wide reputations.

Racing down the stretch with him are Representative Fiorello H. Laguardia, republican, who has made himself heard in the halls of congress, Norman Thomas, socialist leader, and Richard E. Enright. CARD OF THANKS.

We are desirous of expressing our sincere thanks and appreciation to our friends and neighbors who so nobly came to our assistance, with loving deeds and words of consolation and sympathy during the long illness and in the passing of our dear wife, mother, daughter and sister. While our hearts are still sorely grieved by the death of our loved one, the many deeds of kindness, the words of sympathy, the tokens of love and the floral offerings have gone far to assuage our grief. Especially do we want to thank Dr. McMullan for his untiring assistance.

Distinctive Frock In Tweed

PATTERN 1779
The Cersicans Daily Sun 15c Practical Pattern

An unusually attractive effect is created in this tweed frock with a double bow design, at the neck and the raised waist line. The skirt is very interesting, cleverly obtaining its flared grace from stitched pan-els. The molded bodiec reflects the new mode in delightful manner.

Design 1779 is stunning made of light weight tweed which is sheer end soft enough to drape beauti-fully. Many smart color schemes suggest themselves for this model such as mixtures of brown, peach and beige; black, white and red; bottle green and tan; navy blue and grey. and grey.

May be obtained only in sizes 16, 18, 20, 34, 36, 38 and 40, Size 16 requires 2 5-8 yards of 54 inch material.

No dressmaking experience is necessary to make this model. The pattern has simple and exact in-structions. Yardage is given for every size. A perfect fit is guaran-teed.

Patterns will be delivered upon 16-ceipt of FIFTEEN CENTS (15c) in coins carefully wrapped or stamps. Be sure to write plainly your NAME, ADDRESS, STYLE NUMBER and SIZE wanted.

THREE CHILDREN BURNED TO DEATH IN CHICAGO HOME

CHICAGO. Oct. 30.—(7)— Three little girls, Mary, Gertrude and Virginia Matijebich, were burned to death last night when fire destroyed their home in Hodgkins, a suburb. They were 5 years, 3 years and nine months old.

Mrs. Mary Matijevich, their mother, mistook a can of gasoline for kerosene while preparing dinner and poured it into the stove. An explosion sent the blazing liquid flying in all directions.

John Matijevich, the father, rushed into the kitchen to find his wife and son, John, Jr., 11, with their clothes aflame. He extinguished their clothes, took them to safety and ran into the front room of the cottage, which already was burning.

Let me quote Peter's pertinent of the people, for the wear tender unto God the threshold.

Testament is explicit in the teachings of civic duty, as our lesson passages show. When we examine the springs of our national life, we find them flowing from the rock of the Law of God.

Shall the Gunmen Rule?

With heads bowed in shame, we admit that there is not manifest today any such widespread concern for civic righteousness and political integrity as the conditions would lead one to expect. No wave of moral passion is sweeping the world. The greatest American cities have of late been shown to be undergoing a reign of terrorism at the hands of the underworld. Apparently, the public regards it as more or less of a good show. That it is gunmen and "racketeers" levy tribute upon legitimate business is refealed without shocking decent citizens into action. Second of this lesson's teachings is that loyalty to the state and its laws is a positive and active duty of Christians. They are the natural supporters of government. A quickening of the Christian conscience will put purpose and power into the ongoings of democracy. Christian citizens are bound to be militant in opposing all lawlessness. Their peculiar duty is to preserve our Christian civilization, with its noble ideal of self-rule by the people, against all the open and subtle forces of lawlessness. The first line of defence for our imperilled democracy are the men and women who have learned from God's word to "render therefore to all their dues: tribute to who maribute is due; custime whem sustem fear to whom

What with the yellow and red perils, the lives of the nervous are just one narrow escape after another.

The only thing wrong with any country is the people.

"My liver seemed all out of order and I was badly constipated. My tongue was nearly always coated and the taste in my mouth was sawful. I was so nervous that many a night I didn't sleep a wink. No medicines helped me for any length of time and I finally decided to try Sargon. I have finished my sixth bottle, eat anything I want, my indigestion is gone and I am strong and energetic! My nerves don't bother me now, I sleep fine and my friends all tell me how well I look. I was visiting my mother in Uvalde. Texas, and told her what Sargon had done for me. She said many people there were praising it too! Sargon Pills ended my constipation and billiousness. I will always praise this wonderful treatment."—Mrs. Lillle List, 1300 Caldwell St., San Antonio.

Prohibition is Paramount.
TRURO, N. S. Oct. 31.—(P)—
Nova Scotia, one of the two remaining Canadian provinces with a prohibition law, decides today whether or not it shall sell liquor.
Voters choose between retention of the temperance act or substitution of a system of government control and sale of intoxicating liquors. There have been four weeks of intense campaigning by the prohibitionists and the Temperance Reform Association.
Victory in five of the largest constituencies and the city of Halifax, largest voting district, was claimed by the Reform Association. Prohibitionists conceded defeat only in a few industrial centers and Halifax.

COTTON BELT STOCKHOLD-ERS SAY LOREE RETAINS ILLEGAL CONTROL ROAD

WASHINGTON, Oct. 31.—(P)—Charges that L. F. Lorce, president of the Delaware & Hudson Railway and his associates have not abandoned the plan disapproved by the interstate commerce commission for a southwestern railroad unification are contained in a brief filed Wednesday with the commission opposing proposed extensions of the St. Louis Southwestern Railway.

of the St. Louis Southwestern Railway.

The brief was presented by Walter E. Meyer on behalf of himself and other stockholders of the St. Louis Southwestern.

It contends Loree still has "illegal control" of the St. Louis Southwestern and the proposal of the road to extend its lines in the St. Francis basin of Arkansas and obtain a direct route from St. Louis to Memphis was initiated in the interest of the Kansas City Southern and not for the benefit of the applicant itself.

INFORMATION ON SHIPPING POULTRY GIVEN BY OFFICIAL

The following has been sent out to various poultry packers and shippers of Texas:

The food, drug and insecticide administration of the U. S. department of agriculture, which enforces the federal food and drugs act, has during the past six months effected through the federal courts the seizure of over a quarter of a millilion pounds of poultry. These seizures were based on a violation of that section of the act which prohibits the interstate shipment of any part of any animal which is unfit for food or the product of a diseased animal or one that has died otherwise than by slaughter. Among the diseases encountered were tuberculosis, malignant tumors, ulcers, coecidosis and other

wanty part of any animal which is unit for food or the product of a diseased animal or one that has died otherwise than by slaughter. Among the diseases encountered were tuberculosis, malignant tumors, ulcers, ecocidosis and other parastic diseases, roup, enteritis, septisemia, and other diseases to which poultry are susceptible. While it is true that some of these conditions will not be detected except on poat mortem examination, there are in some instances visible indications as to the state of health of poultry. Birds which show bad bruises, open scres, dry hides, off-color, extreme thinness and water hags, or which have symptoms of roup, chicken pox, colds or other diseased condition should be segregated until such time as further examination can be made, preferbly by a vetelinarian or some one experienced in poultry disease.

This department is cooperating with the federal officials and in order that this campaign may be effective in protecting health of the public and the reputation of the industry involved all shippers or passiers of poultry in this state are urged to use the most scropulous care in the selection of stock which is to be shipped in interestate are urged to use the most scropulous care in the selection of stock which is to be shipped in interestate.

Frequent inspections will be made by inspectors of this department to see that all are complying with the federal act or the state are complying with the federal cord of the law will necessitate summary action.

Your cooperation in this important campaign is earnestly sollicited and any prominence given the enclosed poster will be appreciated.

RUM RUNNING ACTIVITIES AT PORT OF HOUSTON AIRED IN COURT TRIAL

HOUSTON. Oct. 31.—UP.—George Musey and Edgar Cantrell were convicted of conspiracy to smuggle liquor in a verdict returned by a federal court jury here today. Judge William I. Grubb will pass sentence at 9 a. m. Friday.

Musey, aiready under conviction in a smuggling case, and Cantrell were found guilty of participating in the operation of the rum runner Cherie, which was beached and burned on Galveston Island last fall.

burned on Galveston Island last [all,
J. L. (Johnny Jack) Nounes and George Etie, on trial jointly with the two men, were granted instructed verdicts of not guilty veterday. The government failed to produce evidence of complicity.

After Etie had been acquitted, he was rearrested by Deputy Marshal Oswald Gerrard on charges of intimidation of a government witness, Charlie Mushmack. The warrant charged that on May 15, 1929, Etie, with his wife, Mrs. Bessie Etie, and his brother, Douglas, had conspired to intimidate Mushmack to prevent his testifying at the Lena and Imperator trial. Etie was released on a \$5,000 hond.

DRY RAIDER SAYS HE KILLED MAN TO SAVE HIS OWN LIFE

CHANDLER, Okla., Oct. 31.—47.

—Jeff Harris, dry raider, today prepared to continue his story in his trial on a charge of murder in connection with the death of Oscae Lowery, farmer.

Admitting he fired the shot which ended Lowery's life, Harris declared half a dozen times during his testimony yesterday:

"I shot to save my life."

Harris challenged stories of prosecution witnesses that Lowery was killed as he walked unarmed from the house into which the raider had pursued James Harris, brother-in-law of Lowery, who also was lain during the raid. He also attacked the death bed statement of Lowery.

The raider told jurgers he had fir.

PHYSICIAN TELLS DAMAGING STORY IN TRIAL OF HAMILTON

ANOTHER DOCTOR CLAIMS BULLETS ENTERED YOUTH'S BODY FROM FRONT

fore Walton went into his father-inlaw's Amarillo office, he told Miss
Whatley, according to newsapper
accounts: "If you hear some shooting, It'il probably be me."

The defense contended testimony
tending to show the deceased did
not intend harm to the defendant,
if unknown to the defendant, was
inadmissable. The state had argued it intended only to use Miss
Whatley's testimony to show Waltion was going to Hamilton's office
to tell Hamilton he had married
Theresa Hamilton, then 17 and a
student in the University of Texas.

Today, for the first time, the
court room was not emptied during
the noon recess. More than three
score retained their seats, and the
court room was filled when the
jury entered.

Arguing the admissibility of Miss
Whatley's testimony, the defense
had said it would plead self-defense.

WEATHERFORD, Oct. 30.—(A)—
R. H. Hamilton today heard a former physician and surgeon at the Mayo Clinic say Hamilton fired two shots into his son-in-law's back, one as the youth, Tom Walton, Jr., 21, was falling forward.

Another physician, however, Dr. J. R. Wrather, president of the Potter Ccunty Medical Association, previously had said he believed the four bullets which struck Walton while he was in Hamilton's office last May 4 had been fired from the front. Both witnesses were testi-

DALLAS, Oct. 31. —(P)— Dallas county was struck by a violent wind storm yesterday which caused considerable damage.

The center of the disturbance apparently was near Elam, 9 miles southeast of Dallas, although fragile structures at Wilmer, Hutchins, Kleburg, Ferris and Mesquite were destroyed or damaged.

No one was seriously injured.

The affected area was dotted with poultry farms, and that industry was said to have suffered the greatest losses. Wednesday morning.

BOTH PERFORMERS ARE MAIN SPRINGS OF OFFENSE PLANS

Three football games of exceptional interest are scheduled for Friday atternoon by Navarro county elevens. The Corsicana Tigers go to Waco in an effort to break down an old tradition and defeat to Teague for a setto with the Teague high school eleven Friday on the Teague for a setto with the Teague Bigh school eleven Friday on the Teague Bigh school eleven Friday which accounted the teague Clubs and finished out of the school of the St. Louis Cacher Teague Bigh school eleven Friday will take the verdict. That is not to say there are no other sterling backs on both teams, but Mason and Shelley are mainsprings of the rival offensives. In watching the Southern Methodist-Mississippl tuste at Dallas last week one got the impression this Mason fellow was almost the whole works for the ponies. Coach Ray Morrison has built his attack around the nimbleponies. Coach Ray Morrison nas-built his attack around the nimble-footed lad from Waco, and the team that stops Mason will hold a chattel mortgage on the Mustangs. Stopping him is the big Problem. Have Another Year.

Have Another Year.
Shelley and Mason both are due
to be back next season, and what
stars they should be a year hence.
Shelley was a brilliant star at Terrill School, Dallas, before entering. the University, while Mason went direct to the Methodist school from the state champion Waco high school team of 1927, of which he was captain. Few Sophomores are as polished performers as Mason. A football field is his element. Shelley is far the more powerful of the two, scaling 190 pounds to Mason's 165.

Long Calls Plays.
Louie Long, end, will call signals
or the Mustangs Saturday. Coach
forrison has decided his youthful ball carriers will do better if not bain carriers will do better in not bothered with the task of selecting plays. Long, it is disclosed, engineered the team against Mississippi, and he did quite a job of it. The Ponies, however, do not possess as smart a field general as Nona Ress, smart a field general as Nona Ress, Longhorn quarterback. Rees fast is gaining recognition as one of the circuit's outstanding pilots. If he jockeys the Steers to a conference title his name will come up for serious consideration in picking an "all" backfield. Rees, "bull' Elkins and Frank Cheatham of the Longhorns were teammates at Longhorns were teammates at Brackenridge high school, San Anonio, four years ago. All were members of that year's state cham-pion basketball quintet. Outcome In Doubt.

Outcome in Doubt.

Fewer outright predictions are being made on the outcome of the Mustang-Longhorn tussle than on any previous conference tilt this year. Most of the critics are in serting a few "ifs" All agree that the Steers, on form, rate the favorites position, but there is the utmost respect for Ray Morrison's genus. His teams do weird things with a football. Also, there is the well known fact that the Red and Blue has been pointing for Texas. And has been pointing for Texas. has been pointing for Texas. And the forecasters can't forget a Texeleven has not gained a ver over the mustangs since 1920.

HUBBARD WILL BE OPPONENTS FRIDAY FOR ODD FELLOWS

The Hubbard Jaguars meet the Odd Fellows football team Friday afternoon on the I. O. O. F. griddron, according to an announcement made Tuesday morning by A. A. Vance, coach of the Lynxes.

Hubbard, members of the District II. University of Texas Interscholastic League, defeated Kerens 7-6 if a recent engagement, and will be ready for the Odd Fellows in their metto next Friday.

The Lynxes are reported to be in good condition for the contest and will give everything to keep their record clean with no defeats.

No admission will be charged for the contest, and all football fans are invited to witness the contest.

JACKSON BEARS TO MEET COLLEGE TEAM HERE ON FRIDAY

The Jackson Bears, perennial champions of negro high school circles, meet the strong Texas college eleven of Tyler at the Municipal park Friday afternoon at 3:30. This will be the second time this season that the Bears have stepped out of high school circles and given battle to college elevens, humbling the Paul Quinn college of Waco recently at Mexia. The scrap between the Odd Fellows and Hubbard elevens on the I. O. O. F. gridiron Friday afternoon is a rather hard one in which to pick the winner. The Hubbard Jaguars defeated the Kerens Bobcats 7-6 while the same fighting aggregation held the Odd Fellows to a scoreless tie. The game viewed from this angle looks like a toss up. However, it is a matter of common knowledge that the Lynxes did not scrap as hard in the game against the Kerens gridsters, and for that reason, we are giving the Odd Fellews a touchdown margin.

Another crucial game in District 14, is to be played Friday afternoon when the undefeated elevens representing Mexia and Marlin tangle up in what is expected to be a battle royal. This game will go a long ways in determining the district title. On the following Friday, the Mexia Black Cats meet the State Home Lads on their own gridiron. Home Lads on their own gridiron.

STATE HOME LADS READY FOR TEAGUE **EXCURSION FRIDAY**

The Lads are still in good standing in the district race with three of their conference games in the background. They still have two of their hardest games in the future. They still have Teague and Mexia on the schedule at present. These two teams are not going to be any snap for any team and the Lads realize that and are determined to fight all the harder in order to keep the standing that

RAINFALL WEDNESDAY SPOTTED IN NAVARRO COUNTY' DISTRICT

Rainfall over the county Wednesday affternoon and night varied from light showers to a hard rain. according to reports received Thursday morning.

In Corsicana the rainfall was 47 of an inch, bringing the total since Saturday night to 1.54 inches.

Farmers had started plowing in all sections of the county following the rain Saturday night and Sunday but were delayed again by the rain Wednesday. It has not rained enough yet to furnish stock water but has supplied plenty of moisture for breaking land and for grain that has been planted.

Roads in all sections of the county were almost impassable Thursday morning.
